

HONORS THESIS JUNIOR SPRING SEMESTER

Student: Student Name

Professor: Steve DeLoach

2 hours credit (498) Spring

Regular Meeting Times: Wednesday 2:00pm-3:00pm

Expectations:

Typical Meeting Agenda: Reviewing and discussing journal articles, annotations and thesis proposal. Typically this will involve locating and reading 2-3 journal articles.

Expectation for student weekly hours on project = 6 hours (1 hours in meetings, 5 hours reading articles and writing thesis proposal.

Major Spring Tasks and Deadlines:

1. Annotated bibliography (12-18 citations by March 14)
2. Thesis proposal draft (March 14)
3. Thesis proposal final (March 30)
4. Weekly process journal entries (weekly)

Grades:

A = Exceeds minimum standards for quality of work (e.g., approval of proposal, complete annotated bibliography, meets major deadlines, meets weekly standards for good progress)

B = Meets minimum standards for quality of work (e.g., approval of proposal, minimal or incomplete annotated bibliography, meets major deadlines, routinely fails to meet weekly standards for progress)

C = Fails to meet minimum standards for quality of work (e.g., rejection of proposal, meets majors deadlines)

F = Fails to meet minimum standards for both quality of work and adherence to academic values (e.g., rejection of proposal, fails to meet major deadlines)
