The screenshot shows the Manfrotto website interface. At the top, there is a red navigation bar with the Manfrotto logo and the tagline "Imagine More". Below this is a secondary navigation bar with various categories like "Products", "Photo", "Video", "Lighting", "Bags", and "Birdwatching". A search bar is located on the right side of the top bar. Below the navigation bars, there is a breadcrumb trail: "You Are Here: Home > Photo > Tripods > Table Tripods > Digi Black Table Top Tripod with Ball Head". The main content area features a large image of the tripod on the left. To the right of the image, the product name "Digi Black Table Top Tripod with Ball Head" is displayed, along with the price "USD\$ 56.00" and the part number "PART # 709B". Below the product information, there are social media sharing options for Facebook (1 Like), Twitter (1 Tweet), and a Share button (2). On the right side of the product page, there are two circular badges: "30 DAY RETURNS" and "SHOPTON SECURE". A list of five benefits from Manfrotto Direct is also present.

Note: Manfrotto tripod has 3/8 inch bolt, which does not fit the 1/4 inch socket of the Jellyfish Tripod Mount (below). Also, most small tripods are 1/4 inch bolt equipped. An adaptor is needed for use of the Manfrotto tripod with most standard travel tripods, which are 1/4 inch. Here is one alternative.
