

2006-07 Academic Year & Summer 2007

October 11

LTC/CISMI "Mountains Beyond Mountains" fall book group

October 20

All Science and Math Poster Session in Hulings Atrium.

October 24

HHMI/CISMI Advisory Board Meeting

October 25

LTC/CISMI "Mountains Beyond Mountains" Book Group

October 27

Biophysics with Kara Bren

October 30

Selection of Science Scholars

November 1

Science Scholars Teaching Team Meeting

November 7

HHMI/CISMI Advisory Board Meeting

November 10

Environmental Science with Deborah Gross

November 17

Broadening Access Meeting

November 20

Science Scholar Teaching Team Meeting

CISMI/HHMI
Archived Events

November 28
Science Scholars Workshop

November 29
Science Scholars Workshop

November 30
Science Scholars Workshop

December 1
Science Scholars Workshop

December 2
Science Scholars Workshop

December 3
Science Scholars Workshop

December 4
Science Scholars Workshop

December 5
Science Scholars Workshop

December 6
Science Scholars Workshop

December 7
Science Scholars Workshop

December 8
Science Scholars Workshop

January 16
HHMI/CISMI Advisory Board Meeting

January 18
HHMI/CISMI Advisory Board Meeting

January 26

CONVOCAATION. Contaminated Without Consent: How Exposure to Chemical Pollutants in Air, Food and Water Violates Human Rights

February 13

When Counting is Not as Easy as 1, 2, 3: Iraq Mortality Since the U.S. Invasion

February 15

HHMI/CISMI Advisory Board Meeting: Summer Research Proposals

February 16

Conference: Innovations in the Scholarship of Teaching & Learning at the Liberal Arts Colleges

February 20

Transitions Group Meeting

February 22

Meeting about Computation, Modeling & Visualization

February 23

Conference: Interdisciplinary Science Education. Institutional Examples, Lessons Learned, & Challenges

February 27

Lessons Learned from Ten Years of Carleton's Prefrosh Math & Science Summer Program

April 3

Lessons Learned from the Environmental Sciences at Carleton (ESC) Summer Outreach Program

April 6

Interdisciplinary Comps Speaker Ron Breaker (Yale)

April 10

HHMI/CISMI Advisory Board Meeting

April 20

Dr. S. James Gates Lecture: SUSY and the Lord of the Rings

April 26

LTC/Mellon Faculty Scholarship Forum. Integrative Science Learning: Chemistry, Carnegie, & Creativity (Tricia Ferrett)

April 27th

Kevan Shokat: Chemistry Comps Speaker (Chemistry/Biology)

May 3rd

The Chesley Lecture by Harry Gray: Powering the Plant with Solar Energy

May 4th

The Currents of Life. Electron Flow Through Metalloproteins (Harry Gray, CalTech)

May 10th

LTC event with Larry Michaelsen. Learning in Groups: The Good, the Bad & the Ugly

May 11

Team-Based Learning Workshop with Larry Michaelsen: Getting Beyond Covering Content

May 12

Team-Based Learning Workshop with Larry Michaelsen: Designing Effective Group Assignments

May 17

HHMI/CISMI Advisory Board Meeting

May 21

Science Scholars Workshop: Lessons Learned

June 21

Science Tea Talk by Marion Cass

CISMI/HHMI
Archived Events

June 28

Science Tea Talk by Arjendu Pattanayak

July 5

Science Tea Talk by Dave Alberg (

July 12

Science Tea Talk by David Liben-Nowell

July 19

Science Tea Talk by Joel Weisberg

July 26

Science Tea Talk by Clark Ohnesorge

August 2

Science Tea Talk bt Phil Camill
