

Climate Literacy: The Essential Principles of Climate Science (USGCRP, 2009)

Gap and Thin Spot Analysis of the CLEAN Collection of Educational Resources

Essential Principle 3 (EP 3)

Life affects climate; climate affects life.

Number of Resources in CLEAN Collection

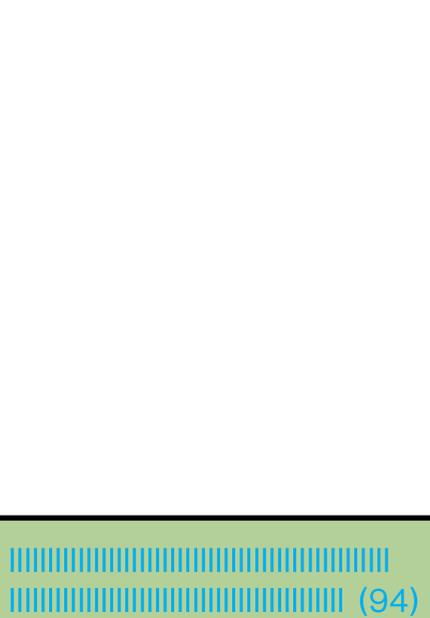

I(##) Total Number of Resources

(#) Middle School

(#) High School

(#) College

Some resources are relevant to multiple grade levels; therefore the total (#) is less than sum of (#), (#), (#).

EP 3A Climate's Role in Habitats	Activities  (18) (10) (18) (3) Videos  (29) (29) (28) (14) Visualizations  (5) (5) (5) (4) Demos/Experiments  (1) (1) (1) (1) Total  (53) (45) (52) (22)
EP 3B Greenhouse effect	Activities (0) Videos  (2) (1) (2) (1) Visualizations (0) Demos/Experiments (0) Total  (2) (1) (2) (1)
EP 3C Climate impacts ecosystems	Activities  (14) (10) (11) (3) Videos  (14) (12) (13) (8) Visualizations  (5) (4) (5) (4) Demos/Experiments (0) Total  (33) (26) (29) (15)
EP 3D Holocene	Activities  (1) (1) (1) (0) Videos  (1) (1) (1) (0) Visualizations (0) Demos/Experiments (0) Total  (2) (2) (2) (0)
EP 3E Carbon Cycle	Activities  (8) (2) (6) (4) Videos  (5) (5) (5) (2) Visualizations  (7) (4) (7) (5) Demos/Experiments  (2) (2) (2) (0) Total  (22) (13) (20) (11)
EP 3 Uncategorized	Activities  (5) (2) (5) (2) Videos  (10) (9) (10) (3) Visualizations  (2) (2) (2) (1) Demos/Experiments  (1) (1) (1) (1) Total  (18) (14) (18) (7)
Total Number of Unique Resources for EP3	 (94)
