> **Note:** This document is available electronically for download and editing at csinparallel.org in the SC13 Curriculum Workshop area (found in the site's left navigation bar)

1. What <u>courses</u> at your institution could have (or already have) PDC topics?

2. What <u>multi-course or curriculum-wide</u> approaches to incorporating PDC topics may be relevant to your institution?

3. What <u>resources</u> (teaching materials, URLs, curriculum documents, papers, etc.) appear helpful for bringing PDC to your curriculum?

4. What <u>challenges</u> do you see to adding PDC to your institution's curriculum?

5. What <u>special opportunities</u> do you see for PDC topics at your institution?

6. What <u>missing resources or services</u> are needed to support institutions seeking to add PDC to their curricula?
