# Worksheet: Parallel Curriculum Special Session

SIGCSE 2014, Atlanta

**Suggested instructions:** Compile personal notes relevant to CS2013 parallel/distributed recommendations *for your institution* in the six categories below *throughout the special session*.

**Note:** This document is available electronically for download and editing at [csinparallel.org](http://csinparallel.org) in the "SIGCSE 2014 Special Session" area (click on Workshops in the site's left navigation bar)

1. What courses at your institution could have (or already have) PDC topics?

2. What multi-course or curriculum-wide approaches to incorporating PDC topics may be relevant to your institution?

3. What resources (teaching materials, URLs, curriculum documents, papers, etc.) appear helpful for bringing PDC to your curriculum?

4. What challenges do you see to adding PDC to your institution's curriculum?

5. What special opportunities do you see for PDC topics at your institution?

6. What missing resources or services are needed to support institutions seeking to add PDC to their curricula?
