The Counseling Center is a mental health resource for students. The center's website provides valuable information on various mental health issues. For more information, students can visit the Center's website.

The Study Skills Center organizes mentoring groups for a number of different classes, as well as helps students hone their study skills. This service is available to all students and can be accessed through the university's website.

**Table 1:** A table showing the course schedule and assignments for the semester. The table includes the course name, class number, schedule, and assignments.

This course requires the use of LockDown Browser and a webcam for online exams. The webcam can be built into your device or purchased separately. For more information, please refer to the course syllabus.

Facilitating Academic Dishonesty: It is important to understand the implications of academic dishonesty. If you are caught cheating, you will be automatically referred to your academic dean to face the consequences. No exceptions. Please think very carefully before you consider an action that will risk irreparable damage to your academic and professional careers. If you need help, please contact the Academic Counseling Center.
