

Welcome to Rhode Island!!

We hope that you have time to enjoy our beautiful state! Known as the “Ocean State”, Rhode Island has a coastal community that boasts delicious seafood, scenic views, and relaxing beaches.

Places of interest:

Newport, 25 miles. Home to some of the most famous mansions in the world! Add in beautiful sights, shopping, and the Tennis Hall of Fame and you will not be disappointed. Great vineyards, breweries and a distillery are must visits as well.

Downtown Providence, 10 miles. Federal Hill will NOT disappoint; some of the most famous Italian restaurants known are located on this street. The Providence Place Mall has great shopping, there are plenty of Escape rooms to choose from, and the city is filled with lots of charm. Home to RISDi and Brown University.

Watch Hill, RI, 40 miles. Some of the most beautiful beaches in RI! Also, this is my hometown so I may be biased! Home to the oldest working flying horse carousel in the United States and Taylor Swift’s famous vacation home is steps away. There is a great winery here (Langworthy Farms) and the sunsets are breathtaking. Mystic is a short scenic drive from here.

Beach Communities: Scarborough (above picture), Warwick (home to Iggy’s Doughboys, voted the best seafood), Bristol, South Kingstown, Wickford Village (artsy shopping), Misquamicut, Watch Hill.

Other places include Mystic, CT which is 40 miles away and Boston, MA at 60 miles. Roger Williams Zoo, the Lizzie Borden Museum in Seekonk, MA, Twin River Casino in Lincoln, RI, Foxwoods Resort Casino in Ledyard, CT.

Please feel free to ask me about my recommendations and I hope you enjoy Rhode Island. I can give you more specifics on each place if you wish!
