

Group 4

Notetaker: Lisa Lamb

Criteria for Success

- number of majors, number of graduate students, number of gen ed students taught
- success of graduates: satisfaction, where they go (employment and grad school), alumni accomplishments
- quality teaching of gen ed, majors, grad students
- student accomplishments during time as a student (undergrads involved in research (posters, talks at meetings, etc.)
- faculty satisfaction
- recognition by others on campus of your program (by other departments, administrators, students)
- dynamic department, willing to embrace change and respond to new opportunities
- contributions to the body of knowledge, publications

Evaluating Success

quality vs quantity...

- number of majors, graduates
- where students go
- teaching evaluations
- assessment of learning (dept scale, each major)
- \$, % of proposals funded, of proposals submitted
- publications
- alumni giving
- community giving, corporate sponsors
