

Pre-Knowledge Survey

1. Describe the various terms used to describe theoretical frameworks _____ 1 2 3
2. Map the relationships among various terms used to describe theoretical frameworks ____ 1 2 3
3. Given a published study, identify the theoretical framework _____ 1 2 3
4. Given a published study, critique the use of a theoretical framework _____ 1 2 3
5. Apply a theoretical framework to guide methodology _____ 1 2 3
6. Apply a theoretical framework to guide analysis _____ 1 2 3
7. Define epistemology _____ 1 2 3
8. Explain your own epistemological stance _____ 1 2 3
9. Define ontology _____ 1 2 3
10. Explain your own ontological stance _____ 1 2 3
11. Given a specific theoretical framework explore its relationship to an ontological and an epistemological stance _____ 1 2 3
