Preview of Form: InTeGrate Student Survey

Past revision from 1:37 pm Aug 20, 2012

Student ID

Please enter the ID your professor has instructed you to use for this survey. It may be your student ID for your institution or a unique number solely for the purposes of this survey.

Student ID

Question 1

What was your reason for taking this course? Check all that apply:

- Personal interest
- General education or distribution requirement
- It counts towards my major
- I think it will be useful in my career

Other (please explain)

Question 2

2a. Have you chosen a college major yet?

- Yes No

2b. If you **have declared**, what is your major?

- Arts (studio or performing)
 Biology/life sciences/ecology
 Business
 Chemistry or physics
 Economics
 Education
 Engineering or Computer Science
 Environmental Sciences/ Environmental Studies
 Geosciences (includes Atmospheric Sciences, Meteorology, Ocean Sciences, Geology, Geophysics)
 Humanities (includes English, foreign languages, history, philosophy)
 Social sciences (includes psychology, sociology, anthropology, archeology, political science)

A major that is not on this list. Please specify:

2c: If you **have not declared**, how likely are you to choose each of the following undergraduate majors?

Arts (studio or performing)

- Will probably choose Might choose Will definitely NOT choose

Biology/life sciences/ecology

- Will probably choose Might choose Will definitely NOT choose

Business

- Will probably choose Might choose Will definitely NOT choose

Chemistry or physics

- Will probably choose Might choose Will definitely NOT choose

Economics

- Will probably choose Might choose Will definitely NOT choose

Education

- Will probably choose Might choose Will definitely NOT choose

Engineering or Computer Science

- Will probably choose Might choose Will definitely NOT choose

Environmental Sciences/ Environmental Studies

- Will probably choose Might choose Will definitely NOT choose

Geosciences (Atmospheric Sciences, Meteorology, Ocean Sciences, Geology, Geophysics)

- Will probably choose Might choose Will definitely NOT choose

Humanities (English, foreign languages, history, philosophy)

- Will probably choose Might choose Will definitely NOT choose

Social sciences (psychology, sociology, anthropology, archeology, political science)

- Will probably choose Might choose Will definitely NOT choose

Question 3

How interested are you in the following careers, employers, or fields of employment?

Engineering

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Environmental consulting

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Environmental journalism

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Environmental law

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Government agency (e.g. NOAA, NASA, EPA, USGS)

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Health/medicine

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Hydrology or water resources

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Land use planning

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Mining industry

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Oil and gas industry

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Professor in college or university

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Public Policy

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Sustainability officer

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Science teacher in primary or secondary school

- Very Interested A little bit interested Definitely NOT interested Don't know enough to judge

Question 4

As you consider career directions after graduation, how important is it to you to do work in which you use your knowledge of the earth and environment? Please select one number:

- 1 (Not Important) 2 3 4 5 6 7 (Very Important)

As you consider employment after graduation, how important is it to you to work in an organization committed to environmentally sustainable practices (independent of the field)? Examples of environmentally sustainable practices would include minimizing energy and water use in the workplace. Please select one number:

- 1 (Not Important) 2 3 4 5 6 7 (Very Important)

Question 5

Please indicate your level of concern about each of the following potential developments on the Earth. Focus on the impact on your region in your lifetime.

Global climate change

- Not a problem Somewhat of a problem Major problem

Population growth

- Not a problem Somewhat of a problem Major problem

Meteor impact

- Not a problem Somewhat of a problem Major problem

Loss of biodiversity

- Not a problem Somewhat of a problem Major problem

Energy resource limitations

- Not a problem Somewhat of a problem Major problem

Water resource limitations

- Not a problem Somewhat of a problem Major problem

Mineral resource limitations

- Not a problem Somewhat of a problem Major problem

Question 6

How often do you talk to your friends and family about ways that you affect the environment?

- a lot
 a fair amount
 only a little bit
 I may have mentioned something once or twice
 not at all

I am willing to buy fewer things in order to reduce my impact on the environment:

- almost always or always
 quite frequently
 sometimes
 not very often
 hardly ever or never

Question 7

Please indicate which of the following you have done in the last week (mark all that apply):

- turned off the water while brushing teeth
- recycled paper, glass or aluminum
- washed clothes in cold water
- unplugged appliances to eliminate 'ghost' power use
- walked or biked instead of using a car
- turned off lights when leaving a room
- used public transportation instead of a car
- used a 'power saver' scheme for your computer
- purchased locally grown food
- brought a reusable bag to the store

When you engage in sustainability behaviors such as those listed in the previous question, what factors or sources of information influence your decision to do so? (mark all that apply):

- desire to save money
- concern about limited natural resources
- concern about global climate change
- concern about pollution
- desire to reduce dependence on foreign energy sources
- family
- friends and peers
- college courses
- the media, including the internet
- not applicable; I don't engage in any of the listed behaviors

Demographics

Gender

- Male
 female
 Prefer not to answer

Ethnicity

- Hispanic or Latino/Latina
 Not Hispanic or Latino/Latina
 Prefer not to answer

Race (choose all that apply):

- Alaskan Native
 American Indian
 Asian
 Black or African American
 Pacific Islander
 White
 Prefer not to answer

What is your current status in school?

- I am a high school student.
 I have first-year/freshman college undergraduate status.
 I have second-year college undergraduate status.
 I have third-year college undergraduate status.
 I have fourth-year college undergraduate status.
 I am a graduate student.
 Other

If other:

How old are you?
