

# 2016 InTeGrate Reach Survey for Module Authors

Please reflect on your how your experience with an InTeGrate module author team has impacted your teaching practices **since piloting your module**.

Your responses to this survey will be kept confidential. We would like you to enter your name below. This will improve our ability to evaluate the InTeGrate project by allowing us to link information about your experience to other evaluation instruments. Only the internal and external evaluation team members will have access survey responses by name. The InTeGrate team leaders will not see your name.

This survey should take about 5 minutes to complete.

## Your Information

Name:

Kristin O'Connell

Email:

koconnell@carleton.edu

Your Institution:

Carleton College

## SECTION 1: InTeGrate Influences

The following questions ask that you think about the ways that your involvement in the InTeGrate project has influenced you professionally.

### 1. In what ways has your experience with the InTeGrate module author program influenced your teaching?

It has influenced the. . .

A. manner in which I plan my courses

Please select one ▼

B. manner in which I design/develop courses

Please select one ▼

C. ways in which I think about student learning

Please select one ▼

D. types of pedagogies I use in the classroom

Please select one ▼

E. strategies I use for working with students from a range of cultural and educational backgrounds

Please select one ▼

F. ways I assess students' learning

Please select one ▼

G. content I use in my courses

Please select one ▼

H. topics I emphasize in my courses

Please select one ▼

I. the learning goals of my courses

Please select one ▼

### 2. In what ways has your experience with the InTeGrate module author program influenced your interactions related to teaching?

It has influenced the. . .

A. way in which I collaborate with others related to my teaching

Please select one ▼

B. ways in which I engage with my department about teaching

Please select one ▼

C. ways in which I engage with faculty in other departments about teaching

Please select one ▼

D. ways in which I engage with others at my institution

Please select one ▼

E. ways in which I engage beyond my institution (e.g., in my community)

Please select one ▼

F. Other influence:

Please select one ▼

(please describe the other influence)

## SECTION 2: Use of InTeGrate Materials

For this next set of questions, we would like for you to think about the courses that you have taught since InTeGrate and how you have used InTeGrate materials across these courses **since piloting your module**.

**3. What InTeGrate-related materials have you used in your courses since piloting your module? Check all that apply.**

- ☐ Adopted single InTeGrate activity (one class session)
- ☐ Adopted two or more distinct sets of InTeGrate activities (>1 class sessions)
- ☐ Adopted several inter-related sets of InTeGrate activities (multiple class sessions)
- ☐ Adopted entire InTeGrate multi-activity module (two to three weeks)
- ☐ Adapted InTeGrate activity or materials
- ☐ Used InTeGrate assessments (such as Geoscience Literacy Exam)
- ☐ Developed own course materials that were evaluated against the InTeGrate materials development rubric
- ☐ Adopted units from multiple InTeGrate modules (four to eight weeks)
- ☐ Adopted InTeGrate course
- ☐ Other InTeGrate materials influence

(please describe the other InTeGrate related materials used)

**4a. How many InTeGrate courses have you taught since piloting your materials?**

Your response must be between 0 and 99. (2-digit number) Only numbers may be entered in this field.

**4b. What is the average student enrollment of your InTeGrate classes?**

Your response must be between 0 and 100. (3-digit number) Only numbers may be entered in this field.

## InTeGrate website

**5. How frequently do you use the InTeGrate website?**

- ☐ Never
- ☐ Once per year
- ☐ A few times per year
- ☐ A few times per semester
- ☐ Weekly or more often

**6. How have you used the InTeGrate website? (please select all that apply)**

**I have used the InTeGrate website to find...**

- ☐ teaching ideas for a course.
- ☐ information about a workshop.
- ☐ resources related to communicating with students about career opportunities in the geosciences.
- ☐ ideas and information to help me **design a new course**.
- ☐ ideas related to **incorporating sustainability** into my course.

- ☐ ideas and examples related to **increasing diversity** in my program.
- ☐ ideas and information about **preparing future teachers** in my program.
- ☐ ideas and examples related to **developing a program** at my institution.
- ☐ Other

(please describe the other ways you have used the website)

#### Additional Comments

**7. Please use the space below if you have any additional comments or clarifications related to your experience with the InTeGrate project and how it has affected your teaching and/or career.**
