

2016 InTeGrate Reach Survey for Workshop Participants

Please reflect on the ways in which your experience with the InTeGrate project, particularly your participation in workshops and webinars, has impacted your use of these materials in your classroom.

Your responses to this survey will be kept confidential. We would like you to enter your name below. This will improve our ability to evaluate the InTeGrate project by allowing us to link information about your experience to other evaluation instruments. Only the internal and external evaluation team members will have access survey responses by name. The InTeGrate workshop/webinar leaders will not see your name.

This survey should take about 3 minutes to complete.

Your Information

Name:

Email:

Your Institution:

Your Department:

SECTION 1: Your involvement with the InTeGrate project.

For the first set of questions, please think about the ways that you have engaged with the InTeGrate project, either through specific activities or website use.

1. How have you been involved with the InTeGrate project? (Check all that apply)

- Attended an InTeGrate workshop
- Attended an InTeGrate webinar
- Joined an InTeGrate teaching materials interest group or other interest group
- Visited the InTeGrate website
- Used InTeGrate course materials
- None of the above
- Other

(please describe your other InTeGrate involvement here)

2. How frequently do you use the InTeGrate website?

Please select one ▼

3. I have used the InTeGrate website to find... (please select all that apply)

- teaching ideas for a course.
- information about a workshop.
- resources related to communicating with students about career opportunities in the geosciences.
- ideas and information to help me **design a new course**.
- ideas related to **incorporating sustainability** into my course.
- ideas and examples related to **increasing diversity** in my program.
- ideas and information about **preparing future teachers** in my program.
- ideas and examples related to **developing a program** at my institution.
- Other

(please describe the other ways in which you have used the InTeGrate website)

SECTION 2: InTeGrate in Your Classroom

For this next set of questions, we would like for you to think about the courses that you taught since your introduction to the InTeGrate project and the impact that InTeGrate has had on your teaching practices.

4. Have you used InTeGrate materials in any of your courses?

- Yes No

5. Did you know about InTeGrate course materials prior to your participation in an InTeGrate influenced workshop or webinar?

- Yes No

6. Did you change your use of InTeGrate materials based on this workshop/webinar?

- Yes No

(If yes, please elaborate here)

7. How many courses have you taught using InTeGrate activities or modules?

- 1
 2
 3
 4
 5
 6 or more

8. In the class that used the highest number of InTeGrate materials, approximately what percent of your course time was spent using InTeGrate materials?

- 2%-3% (one activity, one class session)
 7%-10% (several activities, one week)
 10%-20% (one full module, 2-3 weeks)
 20%-40% (one full module plus additional activities)
 40%-90% (several modules)
 100% (entire course)
 Other

(if none of the above are accurate, please describe your use of InTeGrate materials here)

11. What is the average student enrollment for this course?

12. Please use the space below if you have any additional comments or clarifications related to your experience with the InTeGrate project and how it has affected your teaching and/or career.
