

Major Storms & Community Resilience
Press Release Rubric: 1st Draft

Peer review instructions:

Exchange press releases with your partner. Read over the rubric. Read your partner's release. Then read through the press release again while completing the rubric, marking your choices and making comments on the rubric sheet.

After both partners have completed the rubric, discuss your feedback.

Consider the feedback you received. On the back of the rubric sheet, list the revisions you will make in order to improve your press release.
