

Synthesis Exercise Reflection

Name: _____

1. In doing the synthesis exercise in class today, what are some themes that seemed to connect many topics (e.g., density)?

2. Which of the topics we discussed in class this term cannot (a) be influenced by society nor (b) influence society in any way?

3. List three things you learned outside this course this semester or recently (list course title and instructor, current event in the news, etc.) that connect to course material.

In class topic:	Other class/news event/personal experience:
