Want to be an LA?

Info Session
Wed, Feb 24, 6pm
UMC 235

• If you’ve ever considered teaching, this is a great way to gain experience or try it out.
• You’ll work closely with faculty preparing for classes each week.
• $10/hr for 10hrs/week = $1500/semester
  – You’ll also take a 1-3 credit education class to learn about teaching philosophies & techniques
• LA applications available from Feb 24 - Mar 10
  – http://stem.colorado.edu/apps

APS will be hiring for:
• 1010: Introductory Astronomy I
• 1020: Introductory Astronomy II

LAs also used in:
  Applied Math  Math
  MCDB  Physics
  Geological Sciences  Chemistry
