

Sharing Our Work: A PKAL Showcase

As a capstone to our partnership with Project Kaleidoscope, a peer-reviewed collection of classroom activities will be created. All Minnesota State Colleges and Universities STEM faculty are invited to celebrate and showcase Pedagogies of Engagement.

CREATE Describe a classroom or laboratory activity you've created, and how it represents a pedagogy of engagement (such as Just in Time Teaching, POGIL, or case studies)

SUBMIT Submit your activity by January 11

REVIEW Participate in a peer-review process in one of three ways:

- ◆ Review Workshop, January 29–30, Metropolitan State University, St. Paul
- ◆ Virtual Learning Community using D2L
- ◆ Peer Observation Partnership

REVISE Incorporate feedback from your peers and re-submit by February 15

SHARE AND CELEBRATE Join in as the online collection is showcased at a special event during the Realizing Student Potential Conference February 26–27, Minneapolis Community and Technical College

For more information, to submit, and to register, go to SERC (Science Education Resource Center):
